Dated, Oorgaum, 17th September 1937.

Dear Sir,

With reference to Government Order No. D.2158-61/Geol. 58-36-3 dated 4/6th September 1937 sanctioning the entertainment of two Probationers in this Department and the constitution of a Committee for their selection, I am enclosing herewith a draft Notification calling for applications which if approved may be caused to be published in three issues of the Gazette.

On a former occasion when Probationers were selected by a Committee - vide G.O. No. G.23674-8/Geol. 60-19-1 (L) dated 14-4-1920 - the Chief Inspector of Mines was specially instructed to call for applications and place them before the Committee. As there is no such specific order in this instance, I presume that all applications should be made to the Convener and therefore I have put in your name as the authority to whom applications should be addressed.

The matter may kindly be treated as urgent.

Yours sincerely,

Proceedings of the 2nd Meeting held on 13th November 1937.

The Committee met at 8 A.m. in the Office of the Development Secretary on Saturday the 13th November and interviewed 13 out of the candidates selected. Mr. Nagarathnam was not sent for as he at present employed in the Gorumahisani Mines and coming here might dislocate his work. All the three Members of the Committee had met him before and Mr. Duraiswamier knew his work intimately.

Of the fourteen, the Committee felt that Messrs. M.R. Srinivasa Rao and B.N.Raghunatha Rao are very good but are not selecting them as they are already in the service of Government though temporary. Age is against them.

Of the others the Committee have made the following selection in order of merit.-

1. Mr.S.R. Prasad, M.Sc.
2. " B.Varadaraja Iyengar, M.Sc.
3. " E.Krishnaswami, B.Sc.Hons.
4. " M.Subramanyam, B.Sc.Hons.

No non-brahmin candidate other than Mr. Subramanyam was found fit for the work but the next best in the Committee's opinion is Mr. Z.A.Basith.
